

SAKA RAM CHOUDHARY

Medical Laboratory Scientist (Additional Laboratory Manager)

ABOUT ME

More than 1 year of experience in medical laboratory and research center. Currently I am working as Medical Laboratory Scientist (Additional Responsibility Lab Manager). I am hardworking, technically astute and can work independently or in a team. I possess good verbal and written communication skills and always strive to meet deadlines. I have professional dedication, a positive approach, a learning attitude toward newer technologies, and accept challenges.

Jodhpur, Rajasthan, India

EDUCATION

B.S. Abdur Rahman Crescent University Chennai, Tamil Nadu, India 2015-2017
(Masters of Science Biochemistry and Molecular Biology)
CGPA- 8.96/10

Jai Narain Vyas University Jodhpur, Rajasthan, India 2011-2014
Bachelors of Science Biotechnology, Chemistry, Botany
Percentage - 61.98%

Intermediate from Board of Secondary Education, Rajasthan, Ajmer 2011
P.C.B.
Percentage - 63.85%

S.S.C from Board of Secondary Education, Rajasthan, Ajmer 2009
Percentage - 63.83%

PROFESSIONAL WORK EXPERIENCE

1. Medical Laboratory scientist – (Additional Lab Manager) April 2023 -Present

Department - Research and Development (R&D)

Acu MDx Laboratory and Research Center Jodhpur, Rajasthan

Job and Responsibility: Tasks

- Monitoring and maintenance of lab system (Technical work in all labs).
- Regular monitoring of all quality control activities including IQC, ILC, EQAS results.
- Regular monitoring of lab environmental condition, all equipment maintenance etc.
- To check the availability of required inventory in laboratory, check and verify the laboratory inventory as and when received in the laboratory against defined requirement.
- Prepare the plan for equipment maintenance and calibration of equipment in deputed departments.
- Prepare plan and schedule the technical training, competency assessments.
- Maintenance of technical Sops, WDI, CAPA and procedure manual in all laboratories.
- Regular monitoring of reporting, TAT in LIMS for all departments.
- Maintenance of report formatting and data management work in LIMS for all departments.
- Regular monitoring of all instrument troubleshooting, operation, all equipment and maintenance, daily QC results and reporting all departments
- Writing to project proposal, handling project and project management data.
- Handling of molecular testing, microbiology testing, clinical pathology, clinical Biochemistry, histopathology, cytopathology, cytogenetic testing.
- Knowledge ISO 15189:2012, NABL 112, NABL Audit.

2. Assistant Professor

March 2021 – April 2023

Department of Botany

Pokaran T.T. college Pokaran Jaisalmer | 2021 – 2023

Job and Responsibility: Tasks

- Teaching in Hindi and English medium and make the best notes related to subject.
- Teaching graduate science student and best practice in laboratory experiment related to subject.

3. Quality Control Executive

March 2020 – August 2020

Cultivator Natural Products Pvt. Ltd. Jodhpur Rajasthan

Job and Responsibility: Tasks

- Plant sample product testing like plant root, leaf and stem. Purity testing, Moisture testing, Microbial activity test in plant sample, maintain data record.
- Knowledge IQC, ILC, EQA etc.

Technical Skills

Molecular techniques: RNA/DNA/protein isolation from blood/Plant, PBMCs cells isolation from blood, viral road testing – Covid 19, HIV, HCV, HBV, HLA B27, TB gold/MTB and BCR ABL. RT PCR (Bioread and Thermo quant studio), mRNA from cDNA synthesis, qPCR, Gel electrophoresis (A.G.E., SDS-PAGE), Western blotting, ELISA assay, Gel doc plate reader, flow Cytometry, knowledge about NGS sequencing.

Cytogenetic techniques: PBMCs cells isolation from blood, Cell culture, Media preparation, maintaining cell line, cytokine assay, Hemagglutination Assay, MTT Assay, cell viability and Proliferation Assay, CD marker, Karyotyping, FISH, Microarray Genomic DNA.

Culture: Cell culture, plant tissue culture, microbial culture.

Biochemical techniques: Affinity chromatography, UV spectrophotometer, Chlorophyll and carotenoid contents, Protein contents, Anthocyanin contents. Protein isolation from Plant

Microbiology techniques: practices of media, pouring media, streaking, Gram staining, ZN staining, Antibiotic sensitivity and resistance test, Biochemical test. Handling of densi check, check bacteria turbidity, Vitech 2 compact, Back/Alert 3D, autoclave, BOD incubator, digital colony, Microscope, Biosafety level 2.

Serology techniques: ELISA (Lisa erba), vial rapid card testing like HIV, HCV, HBsAG, Dengue, ANA etc.

Clinical Biochemistry techniques: handling of fully automatic analyzer Roche e411 (Immunoassay) and c311 (clinical chemistry), calibration and control, preparation of aliquot for control and calibration, equipment interfacing with LIMS, centrifuge.

Hematology techniques: handling of fully automatic Sysmex 350 – cell counter analyzer and Sysmex CA600 – coagulation analyzer. ABO Blood grouping test.

Clinical Pathology techniques: Urine Analyzer, Card test, Urine strip reader test

Histopathology techniques: – Grossing, tissue processor, embedding, microtome, staining

Bioinformatics techniques: gene/protein sequence, drug compound structure, gene/protein sequence, Protein Gene Data by NCBI, BLAST, molecular docking.

PROJECT

- ✚ **Project Title:** “Immunomodulatory effects of dietary lectin ‘jacalin’ from jackfruit (*Artocarpus integrifolia*) seeds, on human Peripheral blood mono nuclear cells.”
 - **Project Supervisor:** Dr. Neesar Ahmed (Assistant Professor (sr. Gr).
 - **Research Institute:** School of life sciences, B.S. Abdur Rahman Crescent University Chennai, Tamil Nadu, India.

- ✚ **Project Title:** “Morphological, biochemical and molecular study of drought stress in *Oryza sativa*L.”
 - **Project Supervisor:** Dr. S. Hemalatha(Prof. & Dean)
 - **Research Institute:** School of life sciences, B.S. Abdur Rahman Crescent University Chennai, Tamil Nadu, India.

- ✚ **Project Title:** “Protein folding and unfolding response in AlzheimerDisease.”
 - **Project Supervisor:** Dr. S. Hemalatha(Prof. & Dean)
 - **Research Institute:** School of life sciences, B.S. Abdur Rahman Crescent University Chennai, Tamil Nadu, India

Reference:

1. Dr.S.HEMALATHA
Prof.&Dean

2. Dr. NEESARAHMED
Assistant Professor (sr. Gr)

School of life Sciences
neesar.sls@crescent.education

School of life Sciences
neesar.sls@crescent.education

Research Area Of Interest:

- Stem cell and Cancer biology, Cytogenetic, Immunology, cell and Molecular biology,

Achievements:

- IIT Jam exam 2015 qualified with AIR 817

PaperPublication:

Project Title: “Detection of Biochemical and molecular changes in Oryza sativa L during drought stress” Khan, M.S., Sakaram, S., Hemalatha, S.,

- Journal – International Society of Biocatalysis and Agricultural Biotechnology (ISBAB)2019
- doi:https://doi.org/10.1016/j.bcab.2019.101150. Article Number:101150, Reference: BCAB101150

Training Certificate :

- Flow Cytometry Training from Acu MDx Laboratory and research Center Jodhpur
- Vitek 2 compact and Bact/Alert 3D Training from Acu MDx Laboratory and Research Center Jodhpur.
- Histopathology all instrument Training from Acu MDx Laboratory and research Center Jodhpur
- Roche e411 and c311 Training from Acu MDx Laboratory and research Center Jodhpur
- Implementation of new standard in medical laboratories ISO 15189:2022

Language Proficiency:

Good communication skill in English and Hindi, Marwari.

Strengths:

- Highly Self-Motivated and believes in Self Confidence.
- A Willing Learner with Dedication and Adaptability.
- An active Team player and Skilful at Handling Personnel.
- Passion for working in a multi-cultural and challenging environment

Personal Profile:

Father's Name	: Uda Ram
Date of Birth	: 24-04-1993
Sex	: Male
Marital Status	: Married
Nationality	: Indian
Hobbies	: Playing, Cricket and Reading

Declaration:

I hereby declare that the information furnished above is true to the best of my knowledge and believe.

Place:

Date:

SAKA RAM
