
CURRICULUM VITAE

Dimpi Vohra

Ph.D. Biochemistry

Research Associate-II

National Brain Research Centre,

Manesar, India

+91- 9996652111

dimpigandhi88@gmail.com

Carreer Profile

- Experienced Postdoctoral Researcher in cell and molecular biology. Proficient in reviewing scientific literature, performing experiments, analyzing experimental findings, organizing and presenting data in lab and conference meetings, mentoring junior staff, and fostering collaboration.

Educational Qualification

- **Ph.D. (Biochemistry)** from Kurukshetra University ('A' Grade accredited by NAAC), Haryana, India, 2016.
- **M.Sc (Biochemistry)** (71.0%) from Kurukshetra University ('A' Grade accredited by NAAC), Haryana, India (Ist Division).
- **Bachelor of Education** from Kurukshetra University ('A' Grade accredited by NAAC), Haryana, India, 2019 (Ist Division).

Research and Technical Experience

- **Research Associate – II** at **National Brain Research Center, Manesar, India** since August 9, 2023.
- **Research Associate – I** at **National Brain Research Center, Manesar, India** from August 9, 2021 to August 8, 2023.
- **Project Assistant** at **National Brain Research Center, Manesar** from July 23, 2020 to August 6, 2021.
- **Project fellow** in University Grant Commission, New Delhi (India) funded research at Dept. of Biochemistry, Kurukshetra University, India from 2011 to 2014.

Teaching and Mentoring Experience

- Practical Demonstration to M.Sc. Biochemistry at Kurukshetra University, Haryana, India (July 2011-Dec 2015).
- Lecturer at Guru Nanak Khalsa College (A' Grade accredited by NAAC), Yamuna Nagar (14, Sep 2009-10, March 2010).

Proficiencies

- Protein Biochemistry: Extraction, purification, and characterization (physiochemical, kinetic and functional) of proteins using protein precipitation and chromatography.
- Cell biology: Animal cell culture, Confocal Microscopy, Fluorescent Microscopy, Immunohistochemistry
- Molecular biology: qPCR, RT-PCR, Western blotting.
- Computational: Canvas, EndNote, ImageJ, Adobe Photoshop, Neurolucida, Metamorph, Microsoft Office

Additional Achievements

- Qualified **GATE-2011**
- **Research Fellowship**- Junior Research Fellowship of UGC at Kurukshetra University, Kurukshetra in 2011.
- **Best Poster Award**-Awarded best poster prize at **54th Annual Conference of Association of Microbiologists of India (AMI)** Platinum Jubilee Celebration organized by Maharishi Dayanand University, Rohtak, Haryana, India (20-Nov-13).

Publications

Research Papers:

- **Dimpi Gandhi**, Poonam Bansal, Raman Kumar, Jasbir Singh, Preeti Chanalia, Suman Dhanda*. Extracellular esterase of probiotic *Pediococcus acidilactici* NCDC 252 also exhibited protease activity: Its Isolation, Purification, Characterization and Application (Submitted).
- **Dimpi Gandhi**, Preeti Chanalia, Poonam Bansal, Suman Dhanda* (2020). Peptidoglycan Hydrolases of Probiotic *Pediococcus acidilactici* NCDC 252: Isolation, Physicochemical and *In Silico* Characterization. International Journal of Peptide Research and Therapeutics, 26, 2119-2127 (**IF-1.931**).
- **Dimpi Gandhi**, Preeti Chanalia, Pooja Attri, Suman Dhanda* (2016). Purification and characterization of Dipeptidyl peptidase-II from probiotic *Pediococcus acidilactici*: Purification and functional characterization. International Journal of Biological Macromolecules. 93:919-932. (**IF- 8.025**).
- Preeti Chanalia, **Dimpi Gandhi**, Pooja Attri, Suman Dhanda* (2018). Extraction, purification and characterization of low molecular weight Proline iminopeptidase from probiotic *L. Plantarum* for meat tenderization. International Journal of Biological Macromolecules, 109:651-663. (**IF- 8.025**).
- Preeti Chanalia, **Dimpi Gandhi**, Pooja Attri, Suman Dhanda*(2018). Purification and characterization of β -galactosidase from probiotic *Pediococcus acidilactici* and its use in milk lactose hydrolysis and galactooligosaccharide synthesis” Bioorganic Chemistry. 77:176-189. (**IF- 5.307**).
- Preeti Chanalia, **Dimpi Gandhi**, Anjana, Suman Bala, Jasbir Singh, Suman Dhanda (2018)*. Antioxidant activity and nutritional value of *Citrus limetta* and *Ananas comosus* pomace. Journal of Food Science and Nutritional Therapy. 4(1):004-007. DOI:<http://dx.doi.org/10.17352/jfsnt.000012>.

- Raman Kumar, Preeti Chanalia, **Dimpi Gandhi**, Suman Dhanda*, Rakhi (2016). Optimized extraction and characterization of pectin from gooseberry and strawberry pomace validated by response surface methodology. World Applied Science Journal. 34 (6): 704-713.
- Pooja Attri, Drukshakshi Jodha, **Dimpi Gandhi**, Preeti Chanalia, Suman Dhanda (2015). *In Vitro* evaluation of *Pediococcus acidilactici* national collection of dairy cultures 252 for its probiotic attributes. International Journal of Dairy Technology. 68:533-542. (IF- 4.286)

- Preeti Chanalia, **Dimpi Gandhi**, Drukshakshi Jodha, Jasbir Singh (2011). Applications of microbial proteases in pharmaceutical industry- an overview. Reviews in medical microbiology, 22(4): 96-101. IF- 1.0
- Preeti Chanalia, **Dimpi Gandhi**, Raman Kumar, Pooja Attri, Suman Dhanda*(2016). Lactic acid production vis-à-vis biowaste management using Lactic acid Bacteria. World Applied Science Journal, 34(11):1545-1552.

Book Chapters:

- Chanalia, Preeti, Bansal, Poonam and Gandhi, Dimpi. "Chapter 6 Serine proteases in arthritis". <https://doi.org/10.1515/9783111325040-006>

Conferences

- Suman Dhanda, **Dimpi Gandhi**, Poonam Bansal, Preeti Chanalia, Pooja Attri and Sunita Dalal (2018). International Conference on Sustainable Agriculture, Energy, Environment and Technology (ICSAEET-2018) February 24-25, 2018.
- Raman Kumar, Poonam Bansal, **Dimpi Gandhi** and Suman Dhanda (2018). International Conference on Sustainable Agriculture, Energy, Environment and Technology (ICSAEET-2018) at MDU Rohtak, February 24-25, 2018.
- Suman Singh, **Dimpi Gandhi**, Preeti Chanalia, Pooja Attri, Poonam Bansal. Invited lecture in 5th International Conference and Exhibition on Probiotics, Functional and Baby food” held during Nov 14-16.2016 in Orlando, USA
- **Dimpi Gandhi**, Preeti Chanalia, Pooja Attri, Suman Dhanda (2013). 54th Annual Conference of Association of Microbiologists of India (AMI) Platinum Jubilee Celebration organized by Maharishi Dayanand University, Rohtak from 17-20 November, 2013
- Preeti Chanalia, **Dimpi Gandhi**, Pooja Attri and Suman Dhanda*. AMI, Platinum Jubilee Celebration organized by Maharishi Dayanand University, Rohtak from 17-20 November, 2013.

- **Dimpi Gandhi**, Suman Bala, Anjana, Suman Dhanda and Jasbir Singh (2012). International Conference on Biosciences and Bioengineering: A collaborative approach held at IMS engineering college, Ghaziabad from 6-7 July, 2012.
- Surender Kumar, **Dimpi Gandhi**, Preeti Chanalia and Suman Dhanda*. National Conference on Global Challenges: New Frontiers in Chemical Sciences organized by Department of Biochemistry, Kurukshetra University, Kurukshetra during Sept 22-23, 2012.
- **Dimpi Gandhi**, Preeti Chanalia, Pooja Attri, Suman Dhanda*. 80th Annual Meeting of Society of Biological Chemists (India) on metabolic pathway modulations-applications in health and agriculture held at CIMAP, Lucknow from 12-15 November, 2011.
- Preeti Chanalia, **Dimpi Gandhi**, Manju, Taruna Gupta, Suman Dhanda and Jasbir Singh. 80th Annual Meeting of Society of Biological Chemists on metabolic pathway modulations-applications in health and agriculture held at CIMAP, Lucknow 12-15 Nov, 2011.
- Pooja attri, Drukshakshi Jodha, **Dimpi Gandhi**, Suman Dhanda (2011). 52th AMI International conference on microbial biotechnology for sustainable development. Nov. 3-6, 2011 at Panjab University, Chandigarh.
- Attended National Conference on Multidisciplinary approaches in frontier areas of Environmental Sciences and Engineering at Guru Jambheshwar University of Science and Technology, Hisar on March 4-5, 2011.

Personal Details

Date of Birth	29 th Mar 1988
Father's Name	Mr. Gulshan Gandhi
Mother's Name	Mrs. Sushma Gandhi
Sex	Female
Language Proficiency	English, Hindi, Punjabi

Referee

Dr. Ranjit Kumar Giri

Scientist VI (Professor)

Molecular and Cellular Neuroscience Division

National Brain Research Centre

Manesar, Gurgaon, Haryana 122052

Email: ranjit@nbrc.ac.in

Mobile: +91-9811658495

Dr. Suman Dhanda

Ph.D. Biochemistry

Professor
Kurukshetra University, Kurkshetra
Haryana, India
Email: dhanda.suman999@gmail.com
Mobile: +91-9416069913

Dr. Jasbir Singh
Ph.D. Biochemistry
Professor
Kurukshetra University, Kurkshetra
Haryana, India
Email: jasbirdhanda@gmail.com
Mobile: +91-9416369913
