- Experience in technical and troubleshooting skills related to lab operations.
- Demonstrate ability to drive organizational change through strong interpersonal and communication skills and formal problem-solving techniques.
- Demonstrated leadership skills with the ability to work independently.

Education

- M.Sc. Biotechnology, Jiwaji University, Gwalior, Madhya Pradesh
- B.Sc. Biotechnology, Jiwaji University, Gwalior, Madhya Pradesh

Work experience

- **SENIOR SCIENTIFIC OFFICER: NEUBERG DIAGNOSTICS PVT.LTD, BANGALORE- JUNE 2023-NOVEMBER 2023:** Accountable for Molecular Diagnostic & Molecular Pathology Department & Support Service, Department Compliance, Troubleshooting Equipment, Maintenance of Laboratory Equipment, participating in development of new laboratory methods and other projects Managing Reporting (TAT), Maintaining Quality Control, Support with Finance team in the effective development and implementation of operational Budget. Maintained accurate lab notebooks and records, ensuring data integrity and reproducibility.
- **JUNIOR MANAGER: SYNGENE INTERNATIONAL LIMITED, BANGALORE SEPTEMBER 2022- May 2023: Section Head of Molecular Biology Department:** Molecular Department handling SARS COV2- COVID19 RTPCR Reporting, Inventory Management, Maintaining Quality Control, SOP & Annexure Preparation, Maintained Accurate Lab Notebooks and Records, Ensuring Data Integrity and Reproducibility. Participate in response of (CAPA & Deviation) ILQC Validation, Participate in the development of new laboratory methods and other projects- Flow Cytometer Based Projects (BDFACS LYRIC).
- **LABORATORY SCIENTIST GRADE I- EUROFINS CLINICAL DIAGNOSTIC PVT. LTD, BANGALORE. MAY 2021- September 2022** - working in the Molecular Clinical Diagnostic Department handling SARS COV2- COVID-19 testing, & reporting, participating in Molecular Test Validation, Maintain Quality Control, ILQC Validation, and Conducting NABL Audit.
- **RESEARCH ASSISTANT- DR.LAL PATH LABS, BANGALORE AUGUST 2020 – MAY 2021–** Experience working in the Molecular Diagnostic Department handling (SARS COVID-19), Maintaining EQAS, Molecular Test Validation.
- **JRF- Fellowship -JUNIOR RESEARCH FELLOW JUNE 2017- JUNE 2019-** Selected as JRF: Optimization of the Disinfection Process for Secondary Treated Sewage by Hybrid Disinfection sanctioned by DBT, Govt. of India, No. DST/ TM/WTI/ 2K16/ 193(C) PI-Prof. A.B. Gupta MNIT, Jaipur and Co PI- Dr. Sudipti Arora Dr. B. Lal Institute of Biotechnology, Jaipur– 2017-2019.

- **JUNIOR RESEARCH SCIENTIST- FEBRUARY 2016- JUNE 2017** -Experience on working Vermifiltration Technology related research project for Environment Sustainable Development for the Treatment of Wastewater (Maintenance and another operational test) R&D Laboratory Coordinator – Overall maintenance in laboratory, SOP writing, Protocol preparation, Instrument Maintenance and Calibrations, ISO Related Documentation Dr. B. Lal Institute of Biotechnology, Jaipur Rajasthan.
 - **PROJECT SoRF INTERN- JANUARY 2015-JANUARY 2016-** Awarded a one-year Fellowship “Evaluation of Potential Antimicrobial Activity of Some Medicinal Plants available in Rajasthan State Against Gastrointestinal Tract Infection” DST/ DISHA/ SoRF- IP/ 100/ 2014 GITI Young Women Scientist Category Under the Program KIRAN SOCIETAL RESEARCH FELLOWSHIP, Science for Equity and Empowerment Division SEED, Department of Science and Technology Government of India.
 - **JUNIOR RESEARCH SCIENTIST -JULY 2013- JANUARY 2015-** -Junior Research Scientist, Experience of Teaching inUG and PG Students Subjects- (Microbiology, Medical Biotechnology, Food Microbiology, and Environmental Microbiology at Dr. B. Lal Institute of Biotechnology) DMLT Classes (Microbiology, General). IBT Training in Medical Microbiology, Bio services. Worked as Co-Principal Investigator in Various Projects in Environment Biotechnology, Medical Microbiology and Molecular Biology. Dr. B. Lal Institute of Biotechnology, Jaipur Rajasthan
- MANAGER PLANNING -SEPTEMBER 2011- JUNE 2013** -Manager Planning in the Department of Central Planning Cell, HR and Placement Cell at **Dr. B. Lal Institute of Biotechnology, Jaipur** with Additional Experience of Real-Time -PCR diagnosis in Mycobacterium Tuberculosis in Department of Molecular Biology, at Dr. B. Lal Clinical Laboratory Pvt. Ltd Jaipur, Rajasthan.

Instrument Expertise

Real-Time PCR RT PCR (96 & 384 well), UV Trans illuminator, Spectrophotometer, Cooling Centrifuge, pH meter, Microscope, Incubator, Autoclave, Bio-safety Cabinet Level II, Automated Nucleic acid (DNA/RNA) Extraction Machine, SDS PAGE, Western Blot Unit, PCR, Nanodrop Spectrophotometer, Probe Sonicator, Soxhlet Extraction Unit, HANNA Instrument for Water Testing, Dry Bath Incubator, COD Dry Incubator, VITEK 2 Incubator, Hot Air Oven, Incubator Shaker, BSC II, BACTEC HETC, GeneXpert, Flow Cytometer (BD FACs Lyric).

Technical Expertise

Molecular Biology: Basic Molecular Biology Techniques for DNA & RNA Extraction, SDS PAGE, Plasmid Isolation, Polymerase Chain Reaction (PCR), Real-time PCR (RT-PCR), Gel Electrophoresis, Western Blotting, PBMC isolation and cryopreservation, Preparation of Chemicals and Buffers.

Molecular Diagnostic Test: MTB GeneXpert, HIV, HCV, HBV, HPV, CMV, HSV, HLAB-27, RSV, H1N1, H3N2, COVID-19

Molecular Pathology Test: Coagulation Panel: FACTOR V, FACTOR II & MTHFR

Genetic Mutation Panel: Y chromosome, TPMT

Molecular Oncology Panel: JAK2, MYD88, BCR-ABL

Medical Microbiology: Microbial Enumeration Test, Handling and Maintenance of Microbial Cultures, Morphological, Biochemical and Molecular Characterization of Bacterial and Fungus. Cleaning and Fumigation of a Microbiology Lab, Microbiological Preparation of Media, Growth Promotion for Media, Media Disposal, Calibration as well as Validation of Equipment and test, Microorganism Identification Test- Biochemical Test, Antimicrobial Activity, Antibiotic Sensitivity test. Serological test.

Major Presentations, Conferences, Workshops - National- 37, International -04

Poster Presentation/ Oral Presentation

- **Received Best Oral Presentation:** Two Days national conference on Biotechnology and Environment for Sustainable Development BioESD 2019 29th - 30th March 2019 organized by Dr. B. Lal Institute of Biotechnology, Jaipur in collaboration with the Department of Science and Technology Government of Rajasthan
- **Presented Poster:** Three-day international conferences on contemporary antimicrobial Research ICCAR 2018 in collaboration with Society of Antimicrobial Research SAR India with IIT Kharagpur December 15th-17th 2018.
- **Rapporteur:** Two Days National Conference on Impact of Environmental Changes on Indian Ecosystems organized by NESI in collaboration with Barkatullah University, Bhopal, December 23-24th 2017
- **Presented Poster:** Two-day National Conference on Recent Trends and Advances in Environmental Issues, Awareness and Health 2017, organized by JECRC University on November 16th-17th 2017.
- **Presented Poster** Two Days National Seminar on Science and Technology from the Indian perspective, Indian Science Congress Associates, University of Rajasthan, Jaipur, September 16th 17th 2016.
- **Received third prize Presented Poster** Three day's annual techno-cultural intercollegiate fest Biochrome – Expression of Excellence Dr. B. Lal Institute of Biotechnology, Jaipur, October 15th 17th 2015.
- **Presented Poster** Three Days National conference on “Herbal Medicine Current Strategies & future Prospectus” Department of Zoology, University of Rajasthan, Jaipur 22nd December- 24th December 2015
- **Presented Poster** Three Days International conference on “Biotechnology & Nanotechnology” Department of Biotechnology, The IIS University Rajasthan, Jaipur 22nd December- 24th December 2015 under the auspices of Indian Science Congress Association ISCA, Jaipur Chapter and sponsored by Indian Council of Medical Research. ICMR New Delhi
- **Oral Presentation** Rajasthan Conclave -3 Desert Medicine Research Center, Jodhpur 13th -14th December 2015

Training/ Courses

- Participated in a 4-day Online Flow Cytometry Course on Flow Cytometer: Basic Experimental Designing and Data Analysis 27th November- 30th November 2022. Organized by Flow Cytometer Solutions Pvt Ltd. India.
- Shortlisted for 4 days training Program- ISO15189 & IEC 19011- International Lead Auditor & Laboratory Quality Management System Certificate course organized by Foundation for Quality India, 4th July- 7th July, Bangalore
- Shortlisted for 15 Days IITD_ GIAN course: Quantitative microbial risk assessment organized by IIT Delhi 18th June- 29th June 2018
- Shortlisted for 15 Days DBT sponsored hands-on training course- Recent Techniques in DNA and Protein Analysis organized by Jiwaji University, Gwalior, and M.P 24th Feb-11th March 2018.
- One-year diploma course in Complete Business Accountancy by IIT, New Delhi.
- Training on Fully Automated Nucleic Acid Extraction System Exi Prep 16DX a technology for DNA Extraction based on silica technology 13th- 14th October 2013 at B. Lal Clinical Laboratories Pvt. Ltd, Jaipur.

Awards & Achievements

- Received EURO HERO Award by Eurofins Clinical Diagnostic Pvt. Ltd 13th May 2022.
- Received **JUNIOR RESEARCH SCIENTIST OF THE YEAR AWARD 2019** by National Environment Science Academy, New Delhi, and VTU Bangalore in the International Conference on Material for Environment sustainable society and global empowerment 19th- 20th December 2019.
- Received Save the Environment **“YOUNG RESERCHER AWARD”** by INSA Indian National Science Academy Delhi in National Conference on Water Crisis, Public Health, and Sustainable Solution- 20th-21st October 2019. Received **Appreciation Award** by Dr. B. Lal Institute of Biotechnology on 12th January 2019.

Personal Strength

- Aptitude to learn new ideas and quicker adaptation to the environment.
- Assertive & dedicated
- Hard Working
- Confident
