Career Objects

I am seeking an entry-level position where I can further develop my expertise in laboratory techniques, quality control, and patient care while supporting healthcare teams in delivering eligible diagnostic results.

Professional Summery

Detail-oriented BMLT graduate with approx. one year of hands-on experience in medical laboratory settings. Skilled in performing diagnostic tests, analyzing samples, and ensuring accuracy in results. Adept at maintaining laboratory equipment and following stringent safety protocols. Committed to delivering reliable diagnostic support and enhancing patient care through precision and teamwork.

Dr Brijpal Clinic

(July 2023 to Present)

Key Strengths

- Good level computer skills including Excel, Word and Power Point & Internet surfing.
- Time Management, Team Management.
- Self-Learning

Lab Technicians - Executive

(July 2023 to Present)

Dr Brijpal Clinic - Saharanpur

Key Deliverables:

- Collect, label, and prepare blood, urine, tissue, and other bodily samples for testing and ensure proper storage and handling of samples to maintain integrity.
- Perform routine and specialized diagnostic tests, such as hematology, biochemistry, microbiology, and immunology and operate and maintain laboratory equipment, including centrifuges, analyzers, and microscopes.
- Conduct regular quality control checks on equipment and reagents to ensure accuracy of test results and adhere to established protocols and procedures to maintain high standards of laboratory practice.
- Accurately record test results and maintain detailed laboratory records and communicate findings to physicians and other healthcare professionals in a timely manner.
- Follow all laboratory safety protocols, including the use of personal protective equipment (PPE) and proper disposal of hazardous materials. Ensure compliance with healthcare regulations and laboratory accreditation standards.
- Perform routine maintenance and calibration of laboratory equipment and troubleshoot and report any malfunctions or issues to the supervisor.
