Education

NATIONAL FORENSIC SCIENCES UNIVERSITY, GANDHINAGAR

Institute of National Importance, Ministry of Home Affairs, Government of India

M.Sc Forensic Science with Specialization in Forensic Biotechnology (2021-2023)

- Major in Forensic Biotechnology with studies in Serology, Ballistics, Toxicology, Forensic Medicine, Fingerprints and Questioned Documents, Crime Scene Management and Nanotechnology.
- Dissertation on "Green Synthesis of Nanoparticles for detection of Biological Fluids for Forensic Applications"

INDIRA GANDHI NATIONAL UNIVERSITY, NEW DELHI

A Central University

B.Sc Life Sciences (2017-2020)

- Majors in Cell-Biology, Biochemistry, Genetics, Microbiology, Plant & Animal Development.
- Application Oriented Courses in Office Organization & Management and Secretarial Practice

Publications

- Kollam A, Ganechary P, "Implementing Innovative Strategy for Visualising Fingerprints On Wet Non-Porous Surfaces" in Problems of Forensic Sciences Journal (Yet to be published)
- Ganechary P, Gupta T, Yadav CS, "Development of Nanomaterial Based Biosensors for Forensic Applications". Materials Today: Proceedings (Submitted)
- Ganechary P, Gupta T, Yadav CS, "Nanopesticides: A Perspective from the Welfare to the Risk assessment" published by Taylor & Francis (Apple Academic Press of CRC) (Submitted)

Technical Skills

Hands-on experience in

- Ultraviolet-Visible Spectrophotometer
- Dynamic Light Scattering (DLS)
- Fourier-transform infrared spectroscopy (FTIR)
- Polymerase Chain Reaction (PCR)
- DNA Extraction Methods
- DNA Quantification Methods
- Genetic Analyze and STR Profiling
- ELISA

Synthesis techniques hands-on experience in:

- Green synthesis of Nanoparticles
- Hydrothermal synthesis of Nanoparticles
- Micropropagation
- DNA Extraction and Profiling from degraded samples

Certifications

- Digital Forensics Essentials (D|FE) Certification from EC Council
- Ethical Hacking Essentials (E|HE) Certification from EC Council
- Network Defense Essentials (N|DE) Certification from EC Council
- Certificate in Digital Marketing from Google LLC.
- Google Ads Display Certification from Google LLC
- Certificate in Google Analytics for Beginners from Google LLC
- Python for Absolute Beginners Certification from EC Council

Languages

English
Hindi
Marathi

Telugu
Kannada
Spanish

Skills

Communication
Creativity
Leadership

Problem Solving
Team Work

Presentations

- Gave an oral presentation on the research topic "Implementing Innovative Strategy for Visualising fingerprints on wet non - porous surfaces" at the 2nd International Conference on Recent Developments in Forensic Science, Vivekananda Global University, Jaipur.
- Presented a Poster on the topic "NANOPESTICIDES ENVIRONMENTAL RISK ASSESSMENT" at the **25th All India Forensic Science Conference** organized by the Directorate of Forensic Science Services (DFSS) MHA, New Delhi in collaboration with National Forensic Sciences University Gandhinagar and different states.
- Presented a Poster on the topic "DEVELOPMENT OF NANOMATERIAL BASED BIOSENSORS FOR FORENSIC APPLICATIONS" at the **25th All India Forensic Science Conference** organized by the Directorate of Forensic Science Services (DFSS) MHA, New Delhi in collaboration with National Forensic Sciences University Gandhinagar and different states.

Other Participations

Presented an Startup Proposal "NYAY" a webportal that will provide the information about the forensic testing instruments available at particular FSL (Forensic Science Laboratories) and their current load/status that will help the Investigating Officers (IOs) to decide under Student Startup innovation Program at National Forensic Sciences University.

Research Interests

- The pros and cons of DNA typing from a crime-solving perspective in Forensics.
- Usage of DNA and biological evidence in Forensic Science
- Nanotechnology in Forensic Studies
- Genetics and Molecular Biology
- Clinical Genetics Studies

Software Skills

Docking
Microsoft Office/Google Docs
Microsoft Excel/Google Sheets

Origin

Internships

- Global Tree Careers Pvt Ltd, Hyderabad
2020 - 2021
SEO Intern
 - Increasing traffic to a website or page
 - building a huge social media following
 - generating large number of leads for a service or product.
- Careers360.com
2022 - 2023
Content Writer
 - professional web content to cater the targeted audience.
 - Proofread and edit blog posts before publication.

Workshops

- Attended International Symposium on Virtual Autopsy and 3D Forensics
- Attended a 2-day National Level Workshop & Competition on 'Crime Scene Investigation' organised by National Forensic Sciences University - Gandhinagar.

Personal Details

- Date of Birth - 14 April 1998
- Nationality - Indian
- Gender - Male

Declaration

I hereby declare that the details furnished above are true and correct to the best of my knowledge and belief.
