Name: **Nabeel Faizan Khan**

D.O.B- 16/08/1998

Job Preference: MRI Technician

Contact number- 9559553541

Email- nabeelfaizan2@gmail.com

Looking for a position as an MRI Technician to utilize my skills and knowledge in the field of MRI technology. Passionate about working in a hospital or diagnostic imaging center and providing high-quality diagnostic images to assist physicians in diagnosis and treatment planning.

Education Qualification

- Class 10, St. Joseph Sr. Secondary School, Passed in 2013
- Class 12, Rasphil Academy Lucknow, Passed in 2015
- **Bachelor in Radiology Technology (BRIT), Integral University Lucknow, (2019-22)**

Completed coursework in Radiographic techniques, Radiographic equipment, Radiographic anatomy and pathology, Radiographic physics, radiation protection and quality assurance.

Completed clinical training in various hospital settings including X-ray, CT scan and MRI.

Completed 6 month internship from Integral University

Machinery used during Internship

1.5 Tesla Phillips MRI machine

128 slice Phillips CT machine

Key Learning during Internship

- In-depth understanding of X-Ray technology and its application in diagnostic imaging.
- Knowledge of CT scan and its various imaging techniques.
- Specialization in MRI technology and its application in diagnosis and treatment planning.

Work Experience

Globe Medicare Hospital (Lucknow) Feb 2023 - Current

Performing MRI on 3T Philips Machine

Performing CT on 128 slice Phillips

Key learning

Current working at **Globe Medicare Hospital** in Lucknow, I gained valuable experience operating a **3T Philips MRI machine**. This cutting-edge technology enabled me to perform high-resolution magnetic resonance imaging scans, contributing to accurate and detailed diagnoses. I developed proficiency in handling the MRI machine, ensuring optimal image quality and patient comfort throughout the scanning process.

With my expertise in MRI, I am confident in my ability to make a significant contribution to a diagnostic center and provide exceptional patient care.

Declaration

The information provided in this CV is a true representation of my educational background and skills, to the best of my knowledge. I have made every effort to ensure that all the details are accurate and up-to-date.
