

AKASH PATEL

Ph.No-6392880726

E-mail-akapatel201@gmail.com

Address-Monglabir Mirzamurad Varanasi

From October 2023 I am working as a Junior Molecular technician post in Ideal fertility Ivf and Genetic center pvt Ltd. Jabalpur, Madhya Pradesh.

EDUCATION-

- Guru Nanak Dev University (2021-2023)
M.Sc.- Human Genetics
69%
- University Of Lucknow (2018-2021)
B.Sc.- Genetics and Genomics
63%
- Saraswati Vidya Mandir school (2018)
Class 12
74%
- Varanasi Public School (2016)
Class 10
7.0 CGPA

PROJECT REPORT-

Writing a review article on role of RAAS and Homeostasis pathway in stroke.

LAB EXPERIENCE-

Molecular Biology-

- Genomic DNA experiments(isolation, quantification)
- RFLP Technique
- Agrose Gel Electrophoresis and SDS-PAGE
- Preparation and Sterilization of different buffers
- PCR Techniques(Rt-pcr, q-pcr, multiplex pcr)
- HPV

-MTB, ENDO-TB

-YCMD

- Sperm DNA fragmentation

-Harmones test, CBC.

Bioinformatic-

- Basic Knowledge of Biological database searches (NCBI, ENSEMBL, PDB,HGMD)

Cytogenetic-

- Preparation of solutions
- FISH
- Cell culture
- Staining of prepared slides
- Performa designing for genetic disease

COMPUTER SKILL-

- Basic computer knowledge

PRESENTATION-

- Poster presentation on CRISPR technology in Guru Nanak Dev University.
- Presentation on DNA vaccines and their applications.

WORKSHOPS AND TRAINING-

- One day hands-on training workshop in Automated DNA Sequencing at central MA facility , SMDVU, Katra on March 18, 2023.

SOCIAL WORK-

- Member of SEMS welfare foundation
- Volunteer in G20 and Y20 Summit 2023 in Guru Nanak Dev University

SKILLS-

- Confident about completing the work on time.
- Good knowledge of laboratory and instrumentation techniques.
- Maintaining laboratory tools and preparing reports on experiments.

INTERESTS-

- Swimming , Badminton, Gardening.
