

CURRICULUM VITAE

NISHI

(M.ScMLT,NET,GATE)

Phone: +91-8377850314

Email: nishirajpoot1988@gmail.com

Career Objective

Desire to work in an enthusiastic & target-oriented atmosphere, so as to enhance my aptitude and utilize my skills for organization/industry & human welfare and to pursue cutting edge research in the field of life sciences.

Experience

- Two and half years Experience of worked as Research Fellow in (Molecular Lab) Flow cytometry, Real time PCR, DNA Sequencing, Gel electrophoresis etc, in the Department of Lab Oncology IRCH, All India Institute of Medical Science (AIIMS) New Delhi.
- Two and half years experience of worked as Senior Lab Technician at Maharaja Agrasen Hospital, Punjabi Bagh, Delhi.
- Six months experience of Visiting Faculty in the department of Biotechnology Sharda University Greater Noida.

Research Publications

- **Nishi**, Amjid Ahad, Pawan Kumar. Hypolipidemic effect of chlorogenic acid in a hypercholesterolemic rat model. Int J Pharm Bio Sci 2013; 4(1): 397 – 406.
- **Nishi**, Amjid Ahad, Pawan Kumar. Protective Effect of Chlorogenic Acid against Diabetic Nephropathy in High Fat Diet/Streptozotocin induced Type-2 Diabetic Rats. International Journal of Pharmacy & Pharmaceutical Sciences 2013; 5(2): 489-495.S.

Academic Awards

- Qualified CSIR-NET in December 2014 (AIR-27).
- Qualified CSIR-NET in June 2015 (AIR-33).
- *Qualified ARS-NET in Dec 2015 .*
- *Qualified GATE in Jan 2016.*

Academic Qualifications

Qualification	Passing Year	Board/ University	Subjects	%age/Division
Master's Degree (M.Sc.MLT)	2011	Punjab Technical University	M. Sc. (Medical Lab Technology)	65/ 1st
Bachelor's Degree	2008	M.J.P Rohilkhand Bareilly	Zoology, Chemistry, Botany	66.7/1st
Intermediate	2005	UP Board	Biology, Chemistry, English, Physics ,Hindi.	67 / 1st
High School	2003	UP Board	G.English,Hindi, Science Social Science,Math Drawing.	60/1st

Research Experience

- **Biochemical assays:** Well experienced in Performing Qualitative and Quantitative analysis of different molecules like Carbohydrates, Proteins, urea, minerals,

bilirubin, cholesterol, Lipids etc. in blood and urine.

- **Biochemical and immunological Techniques:** Flowcytometry, Clinical hematology, Agarose Gel Electrophoresis, Polyacrylamide Gel Electrophoresis (PAGE), Immunoprecipitation, RIA, ELISA & other immunofluorescence Assays.
 - **Molecular techniques:** DNA and RNA isolation, Polymerase Chain Reaction (PCR).
 - **Animal handling:** Having efficient knowledge of handling experimental animals like mice, rats .
 - **Microscopic analysis:** study of mitosis, meiosis, cell wall components, mitochondria of different plant and animal cells. study of specimens, their characters and their identification with reason like bacteria, yeast, amoeba, hydra, ascaris, leech, earthworm, prawn, dogfish, some birds, rats and other lab mammals. study of muscle fibres, nerve cells, mammalian blood film.
 - **Skill:** Efficient Knowledge of handling all lab-based instruments like: Colorimeter, Spectrophotometer, centrifuges, digital autoanalyzers, PH meters, water bath, deep freezers, solvent evaporator, Homogenizer, flowcytometer etc.
 - **Research Experience:** In vitro assay studies, Toxicological studies, Lipid per-oxidation, histopathological, cytological, immunological and Anti-oxidant studies .
 - **Computer knowledge:** MS-Word, MS-Excel, MS- PowerPoint, MS-DOS, MS-Slide write and Internet surfing, graphical representation, mapping and compilation of research data, etc.

National and International conferences attended

- Attended the National Symposium on Immunology Day Celebration, April 27, 2013, All India Institute of Medical Sciences (AIIMS), New Delhi, India.
- Attended the International Conference on International Interdisciplinary Science Conference-2012 on Protein Folding and Diseases, December 8-10, 2012, Jamia Millia Islamia, New Delhi, India.
- Presented a paper in the International Conference on Environment and Human Health-2012, November 28-29, 2012, National Environmental Science Academy, New Delhi, India.
- Presented a paper in the National Conference on Medicinal Plants and their Characterization, February 26-27, 2013, Department of Botany, Jamia Hamdard, New Delhi, India.

Personal Details:

Name : Nishi

Husband Name : Anshul Chauhan

Date of Birth : 05/07/1988

*Address : F NO-D-1303,StarRameshwaram Rajnagar Extension
Ghaziabad,*

Sex : Female

Nationality : Indian

Marital Status : Married

Languages Known : Hindi,English

Declaration:

I hereby declare that all the above information is true to the best of my knowledge and belief.
