Objective

Highly motivated and detail-oriented biotechnology graduate seeking a challenging position in a dynamic organization where I can apply my knowledge, skills, and passion for biotechnology to contribute to scientific research and development.

Academics

Qualifications	University name	%	Batch
M.Sc. Biotechnology	Chandigarh University	73	(2020-2022)
B.Sc. Biotechnology	Maharshi Dayanand University	69	(2017-2020)
Intermediate	Stanford INTL School	67	2017
High School	Amar Shiksha Sadan School	68	2015

Graduation Projects

1. A review on MicroRNAs in cancer (Theoretical project) in this biogenesis of MicroRNAs and its mechanism is discussed the involvement of miRNAs and their expression in cancer-related pathways must be well understood.
2. Identification and study genes of Salmonella species responsible for antimicrobial resistance in this with the help of bioinformatics (Blast,Fasta,Clustal omega) is used to find out the information of Salmonella genes which are responsible for antimicrobial resistance.
3. Nucleic Acid Amplification Techniques and Applications that is basically for the knowledge of all the instruments (Biosafety level, laminar air flow, PCR workstation) for the procedure of DNA isolation and RNA isolation and for Amplification mixture preparation.

Workshops

- **Global desk service program**

Conducted by NIIT foundation during period 21 Feb 2024 - 30 Mar 2024.

- **Biotechnology, Forensic and Molecular Biology Training**

DNA Labs – A Centre for Applied Sciences, Dehradun, Aug 2021- Sept 2021.

- **2 days Hands -on Workshop BIOINFORMATICS**

facilitated by Dr. kshipra Chauhan of Edubooter learnings (2019)

Technical skills

- Worked on PCR workstation at DNA-Labs
- Laminar air flow
- Agarose gel electrophoresis
- Operates in level II biosafety labs
- Basics of Master mix preparation
- DNA and RNA Extraction and purification
- Instrumentation knowledge

Core competencies

- Biotechnology
- Instrumentation knowledge
- Processing and documentation
- Presentation Skills
- Basics of Ms office
- Ambitious & Mindful
- Strong Organization skills
- Leadership skills

Awards & Certifications

1. Awarded for participating in Workshop on Safety measures for covid 19 third wave at Tech event 2021, Chandigarh University
2. Medical Neuroscience by Duke University 2021 by Coursera
3. 30 days Hands on Training Program at DNA-Labs A Centre for Applied Sciences (DLCAS) Dehradun Uttarakhand "Project Nucleic Acid Amplification Techniques And Applications "
4. Future opportunities in MB and Biotechnology one day live webinar on learn to upgrade (2021)
5. Global desk service program from NIIT foundation

Personal Profile

- **Father's Name:** Mr. Vijay Kumar
- **Mother's Name:** Mrs. Prem Devi
- **Date of Birth:** January 26, 2000
- **Gender:** Female
- **Languages known:** English, Hindi

Declaration

I hereby declare that the information mentioned above is correct and true to best of my knowledge.
