Skills

Microscopy Techniques Lab
Equipment Maintenance
Equipment Calibration

Objective

Looking for an exciting and dynamic role where I can utilize my skills and experience to drive tangible results. Passionate about joining an organization that fosters a culture of innovation, continuous learning, and personal growth.

Education

(Jan 2010 – Nov 2010)

Jkbose

10th Class

(Jan 2012 – Nov 2012)

Jkbose

12th Class With Medical

(Jan 2015 – Nov 2017)

H.N.B. GARWAL CENTRAL UNIVERSITY U.K

Bachelor Of Medical Laboratory Technician

(Jan 2013 – Nov 2013)

**NATIONAL INSTITUTE OF ELECTRONIC &
INFORMATION TECHNOLOGY (NIELIT)**

CERTIFIED COURSE ON COMPUTER APPLICATIONS

(Jul 2018 – Jul 2019)

Himalayan University

MSC.MLT

Experience

(Jan 2018 – Jan 2019)

LABORATORY TECHNICIAN

S.M.H.S HOSPITAL SRINAGAR

- Conducted quality control checks on all lab instruments and supplies. Performed routine laboratory tests and analyses in support of research objectives, ensuring accuracy and precision of results. Utilized a range of laboratory equipment, including microscopes, centrifuges, pipettes, and spectrophotometers. Reported any malfunctions or discrepancies related to lab equipment immediately to supervisor. Ensured compliance with relevant safety regulations when handling hazardous materials in the lab. Generated reports to document results. Set up and operated laboratory instruments to perform standardized testing in accordance with industry and standard operating procedures. Performed maintenance activities such as cleaning glassware or sterilizing work surfaces. Calibrated scientific equipment such as pH meters, thermometers, balances..

(Nov 2018 – Apr 2024)
LABORATORY TECHNICIAN
MUKHTARS PRECISION CLINICAL LABORATORY

- Utilized a range of laboratory equipment, including microscopes, centrifuges, pipettes, and spectrophotometers. Maintained accurate records of data collected from experiments. Performed routine laboratory tests and analyses in support of research objectives, ensuring accuracy and precision of results. Conducted quality control checks on all lab instruments and supplies. Ensured compliance with relevant safety regulations when handling hazardous materials in the lab. Reported any malfunctions or discrepancies related to lab equipment immediately to supervisor. Generated reports to document results. Set up and operated laboratory instruments to perform standardized testing in accordance with industry and standard operating procedures. Participated in the design and implementation of new laboratory processes. Ordered chemicals and reagents required for testing purposes as needed. Calibrated instruments with accuracy and precision following established procedures. Developed new techniques for performing laboratory tests more efficiently..
